

# The Wood Badge Course:

## Wood Badge Course Themes are:

- Living the Values
- Bringing the Vision to Life
- Models for Success
- Tools of the Trade
- Leading to Make a Difference

Understand how your **Values** relate to attitudes in your life. Establish a **Vision** to improve yourself and your Scouts. Build **Mission** goals to help you attain that **Vision**.

Become the leader who will make a positive difference in your pack, troop, crew, team, district, or council ... **and in your own life**.

Set a **good example** for those around you with an upbeat outlook by promoting fun and enjoyment in your program.

## So, What Are the Learning Objectives of Wood Badge?

- Recognize today's leadership concepts used across corporate America and leading organizations that are relevant to our values-based movement.
- Apply the skills you learn from your participation as a member of a successful working team.
- Revitalize your commitment to Scouting by sharing in an inspirational experience that will last for a lifetime.
- Experience Scouting as a family of interrelated, values-based programs that provide age-appropriate activities for youth

## Why Offer A Scholarship?

"A Scout should pay his own way" is one of the foundations that Scouting is based on. In some circumstances, our dedicated Scout Leaders may need financial assistance to attend Wood Badge. No Scouter should miss training for financial reasons. The course is already priced at below cost, since we get some donations. While this is a good value – for what the participant receives, it is still financially unreachable for some scouters and we don't want finances to stand in the way of a Scouter wishing to participate in Wood Badge.

## How Can I Apply to the Scholarship Fund?

- Complete the form attached to this flyer.
- Mail or scan and email it to Bob Koch at bobbsa57@gmail.com at least 60 days before the start of the course.
- Contact the Course Director to see what other options may be available for you.
- We encourage you to also look at other outside funding assistance from your unit, your church, your work, the VFW or American Legions.

## Why is This Scholarship So Valuable?

We want to ensure that all scouters have an opportunity to take part in this amazing experience. By becoming Wood Badge trained, you will be able to take the message and vision of Baden Powell home to your Council, District, Unit, Employer and your own life. You will make a difference.

A limited number of partial-fee scholarships are available to apply toward the course fee. These scholarships are granted based on need. Each applicant is generally expected to provide a portion of the total cost for this course

The Scholarship Fund

The Carl Gullans/Bill Somerville Scholarship fund was initiated in 2011. The funds are used to assist scouters with financial challenges in participating in a Wood Badge Course being hosted by either Suffolk County or Theodore Roosevelt Councils.

**Honoring Two Past Course Directors:**

Both Carl Gullans and Bill Somerville were great scouters and served as Wood Badge Course Directors. What better way to honor these two individuals then by enabling ALL scouters to experience the Wood Badge Experience? If still around today, these two individuals would be the first to contribute to a Wood Badge Scholarship Fund.
